

It looks like my
helicopter has turned
up ??

**Come here my little
pretty !**

And there it is, in
all it's loveliness.

There's a what,
in my box ?

Are you sure??

**Get out you dirty,
stinking thing !!**

**And don't come
back !!!**

A man with short brown hair and blue eyes, wearing a blue zip-up jacket with orange trim on the sleeves and a silver chain necklace, is holding a large silver megaphone. He is looking directly at the camera with a neutral expression. The background is a plain, light-colored wall.

Yes, it looks like I'll be doing the build, because Rob said he can't be bothered!! I've carefully milled off the Hirobo ready for engraving 'Heli-baby' into it tomorrow.

I don't know, there's just no commitment from these youngsters these days!!

**I think that bit
goes there?**

**Love, while your
standing there doing
nothing, come and give me
a hand will you. This is
getting hard to hold!**

A man in a blue and orange jumpsuit with a purple mouth and blue eyes stands on the left, holding a white machine. A blonde woman stands on the right, looking at the machine. A speech bubble above her contains the text "What's the matter dear?".

**What's the
matter dear?**

**Right,
now bugger off
and put some clothes
on you dirty cow!**

**OH,
and bring
me a cup of tea.**

**Not exactly what I
had in mind, paid
for or asked for, but
it's done now !!**

**This is what I went
for, should do the
job well.**

**Just look at that
beauty !!!**

**In hindsight, this
doesn't seem like a
good idea??**

**O.S.
ENGINE**

OH CRAP!!

**This is going to hurt
in the morning !!**

**Right buddy!
I'll see you outside,
we'll see who's gay !!**

Still nursing his injured pride after being called gay, Action Man continued with his mission.....

These special tools supplied with this kit work VERY well !!

**Just look at this fan, it's
a work of art, you've just
got to give it a hug,
or is that just me?**

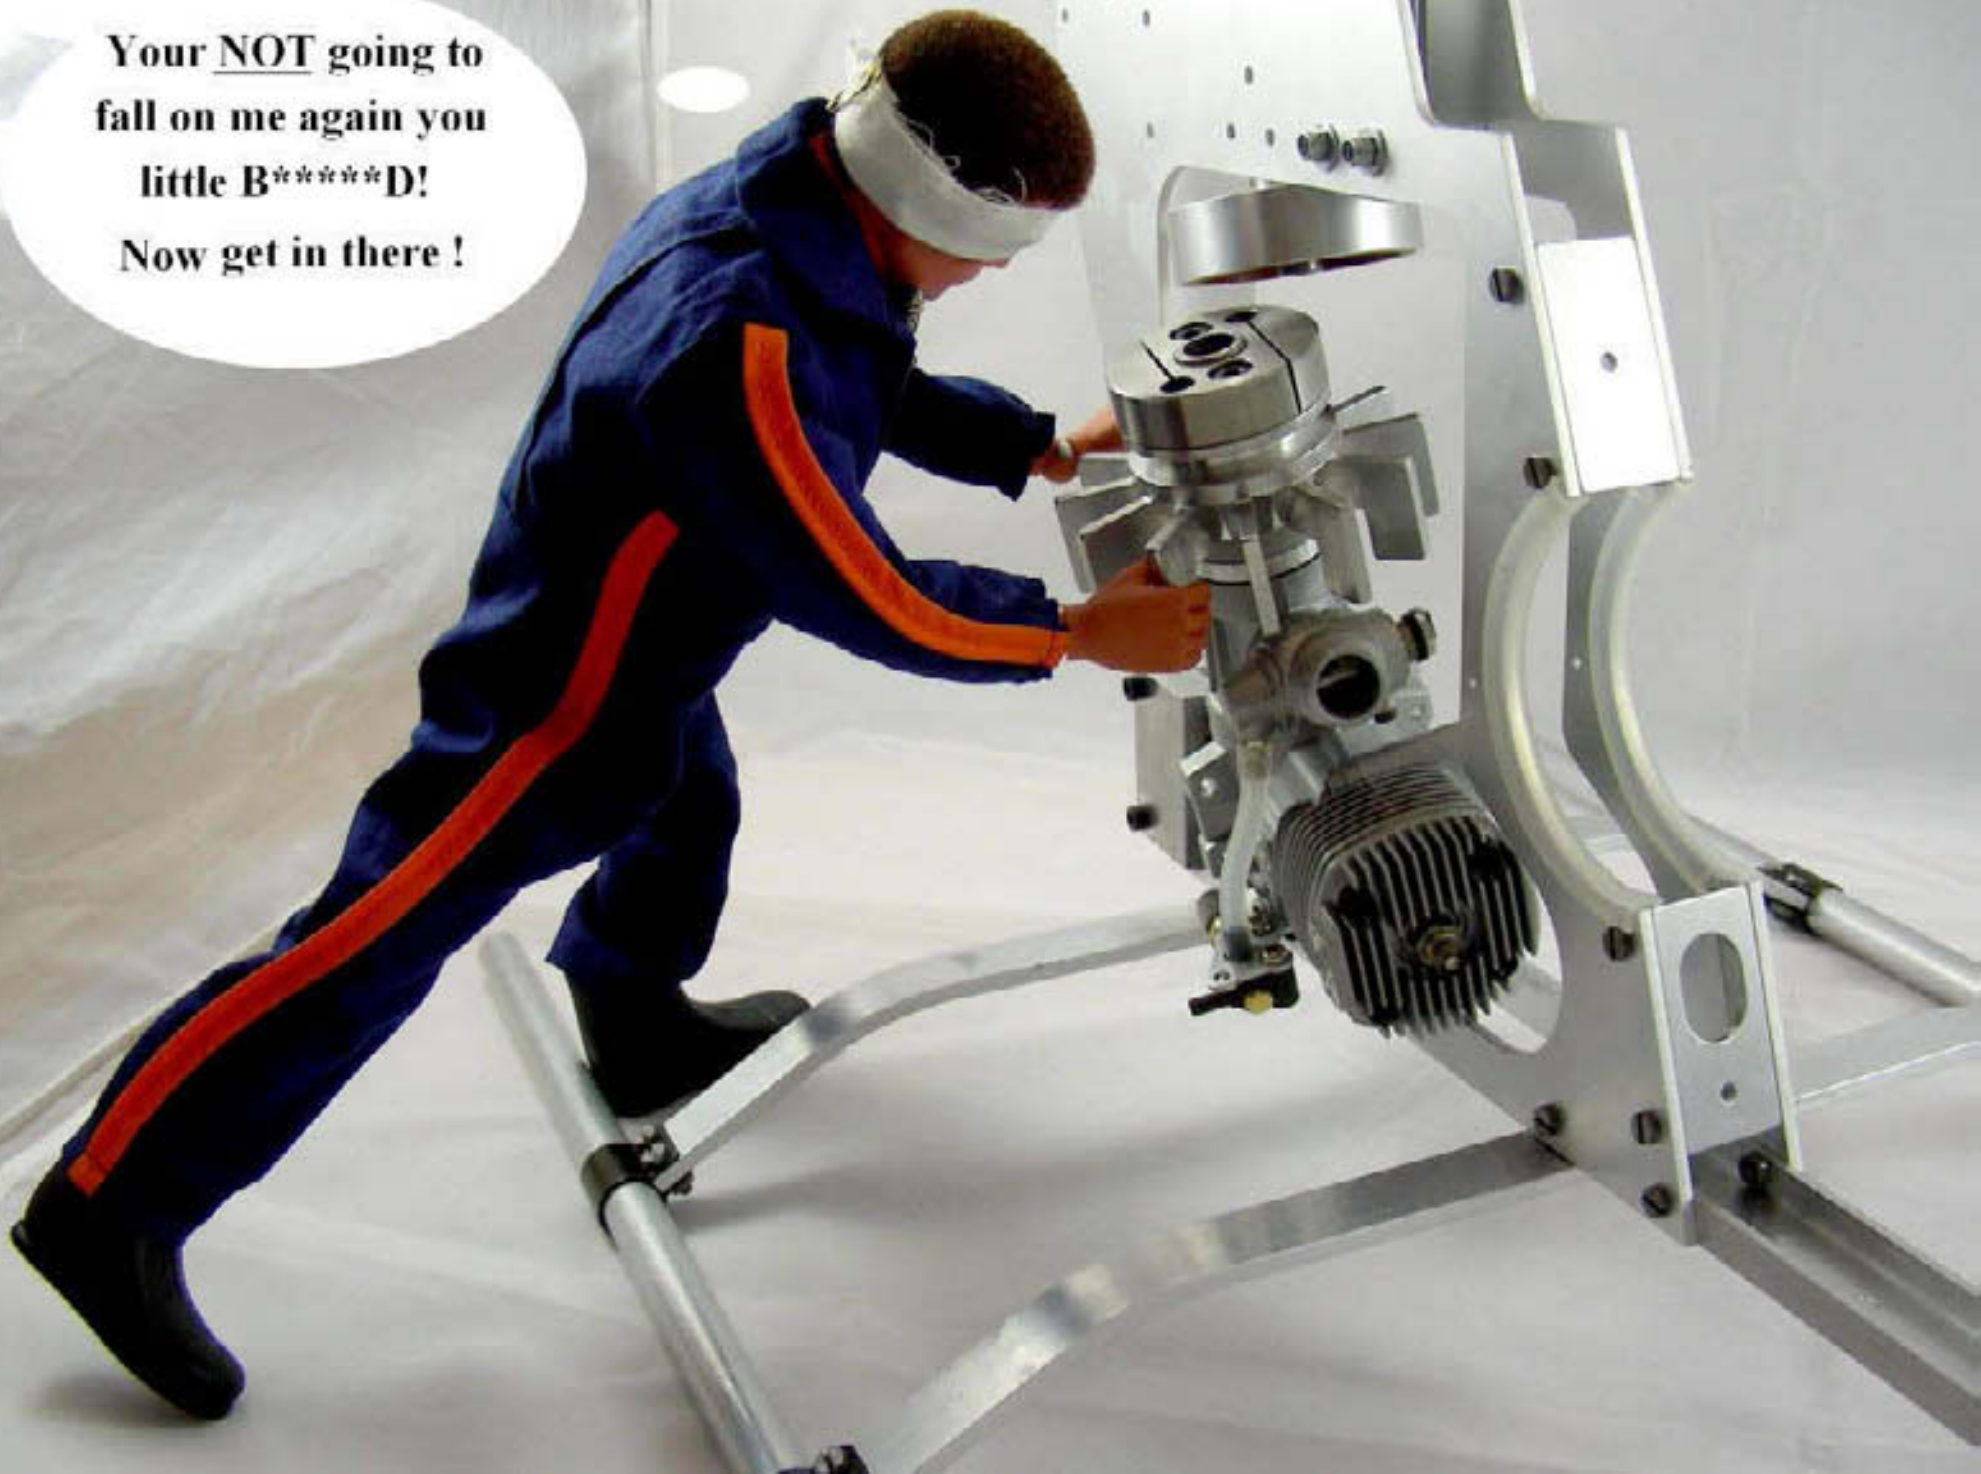

**I'm just going to
stick my long shaft
in this hole to make
sure it fits nice.....**

**Your NOT going to
fall on me again you
little B*****D!
Now get in there !**

**This just needs a
little polish to
make the swash
smooth.**

A close-up photograph of a person wearing a blue uniform and a white cap, adjusting a large industrial machine. The machine features a vertical shaft passing through a series of rollers or bearings. The person's hands are visible, with one hand on the left and another on the right, both adjusting components of the machine. The background is a plain, light-colored wall with two circular recessed lights. A white oval callout box in the upper right corner contains the text: "There lovely and smooth with a little grease".

**There lovely and
smooth with a
little grease**

**This seems
strangely familiar,
Can't think why??**

**This I'll keep it up,
said the young
actress to the
Bishop!!**

A man with a white bandage on his forehead is looking intently at a metal ring he is holding in his left hand. In his right hand, he holds a small metal bit. The background is a plain, light-colored wall.

**That bit goes
there.**

**Now where's
that next bit?**

**'Gay man' indeed!
More like

A man in a blue jumpsuit with orange stripes is walking away from the camera on a concrete sidewalk. In the background, there is a house with a large wooden door and a stone wall. A speech bubble is positioned above the man, containing text.

**Right,
I think it's
time for a spot of
woodwork!**

**A
small cut
here...**

A big cut there.....

A
dash of
glue....

**And job done,
Masterpiece!!**

A man with a shocked expression, wearing a dark blue and grey jacket, stands behind a blue workbench. On the workbench, a tiny man in a blue tracksuit with orange stripes is standing on a structure made of cardboard. The man's mouth is wide open in a 'fish face' expression. The background is a wall of corrugated metal siding. Two speech bubbles are overlaid on the image, one above the man and one to the right of the tiny man.

**What the
F***
is that!!!**

**What do you mean?
It's perfect!!**

PERFECT!!
have you seen it??
What are you, some sort of
TOTAL TWAT??
OR
BLIND!!

**Here, give me that, I'll
sort out a 'proper' one
over the next few days!!**

**I don't think so.
Go and spend some
quality time with Barbie,
she looks like
she could do with it.**

**Maybe if I
had another
go?**

Don't tell Rob,
but I decided to
spend some quality time with
'The Sticker Man'
rather than Barbie!!
Here's what we came up with.

Heli-Baby

DANGER

And this.
Is that the
spray gun I can hear?
The woodwork must be
almost finished...

The name
'Mr'
should be in front
of this for me!

DANGER

A man in a blue jumpsuit with orange stripes and a blonde Barbie doll in a pink dress are holding hands outdoors. The man is on the left, looking towards the doll. The doll is on the right, looking towards the man. A thought bubble is positioned above the doll's head.

....so what are
you trying to
say?

Hey,
'Dick Head',
your woodwork is
ready.

OK,
I'll be over
now.

**There you go,
don't mess it up.
Have you
sorted things out with
Barbie now ??**

**Yes,
sort
of!**

A man with brown hair, wearing a blue jumpsuit with orange stripes on the sleeves and legs, is walking on a concrete path. He is carrying a large, hand-built wooden airplane model. The model has a fuselage with a cockpit area, wings, and a large circular tail section. The background shows a green lawn and a grey wall with a brown door.

**Hi Ho, Hi Ho,
it's off to work I go.
I think this fresh
'Fuel Proofer'
is making me high?**

**Right,
how do I go
about doing this ??**

WWWWWWWWWWW

AAAAAAAAAAAAA

**Not like that
clearly!!**

**RRROOOBBB,
I could use a
hand right
about now!**

Some time, much latter, after getting untangled, and a small amount of assistance, the cooling duct is fitted!

**And the silicon stripping
goes into place....**

**As does the
woodwork...**

**HIO look,
it's the
Futaba G191
that some
RR members
said didn't exist ???**

Right,
last
servo.

In you go.

**I SAID,
IN YOU
GO !!!**

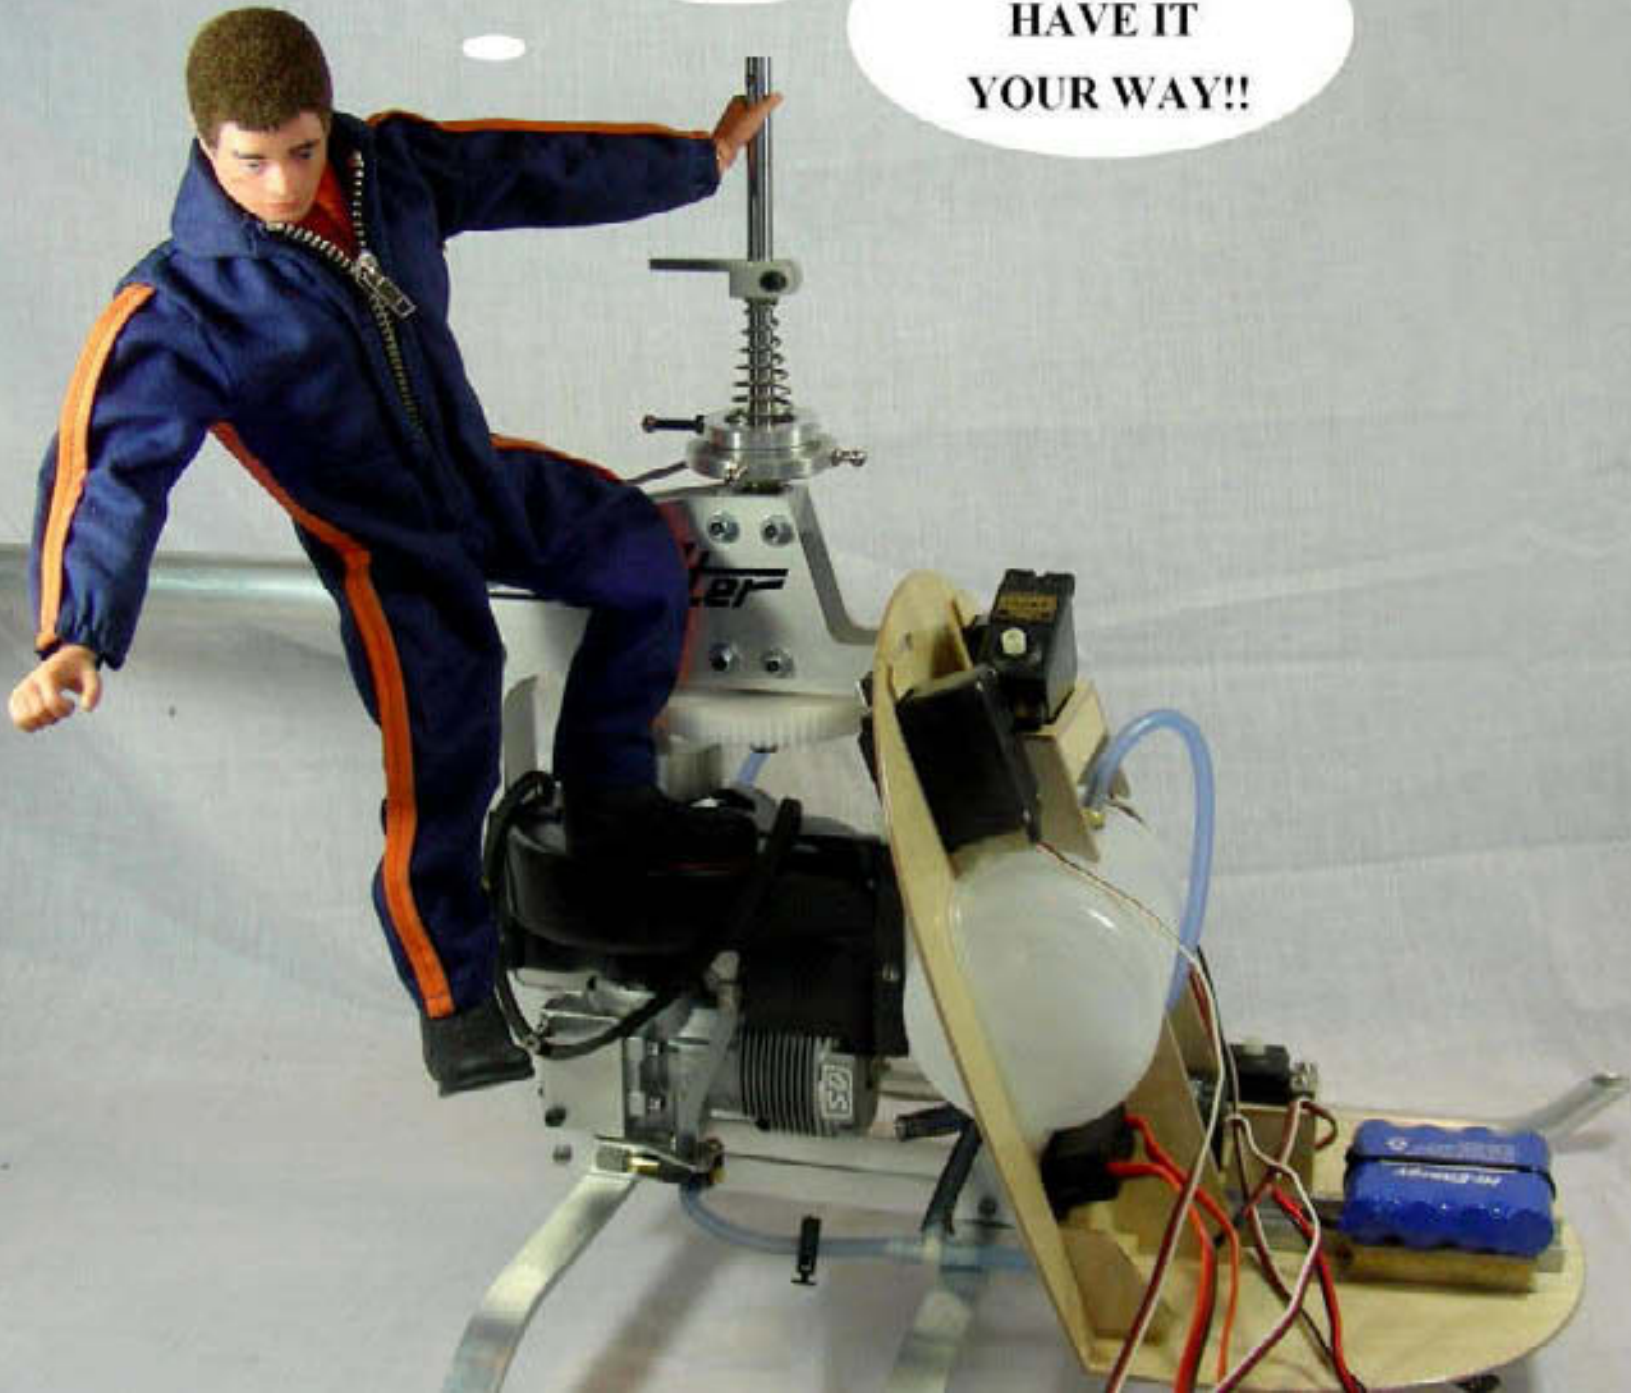

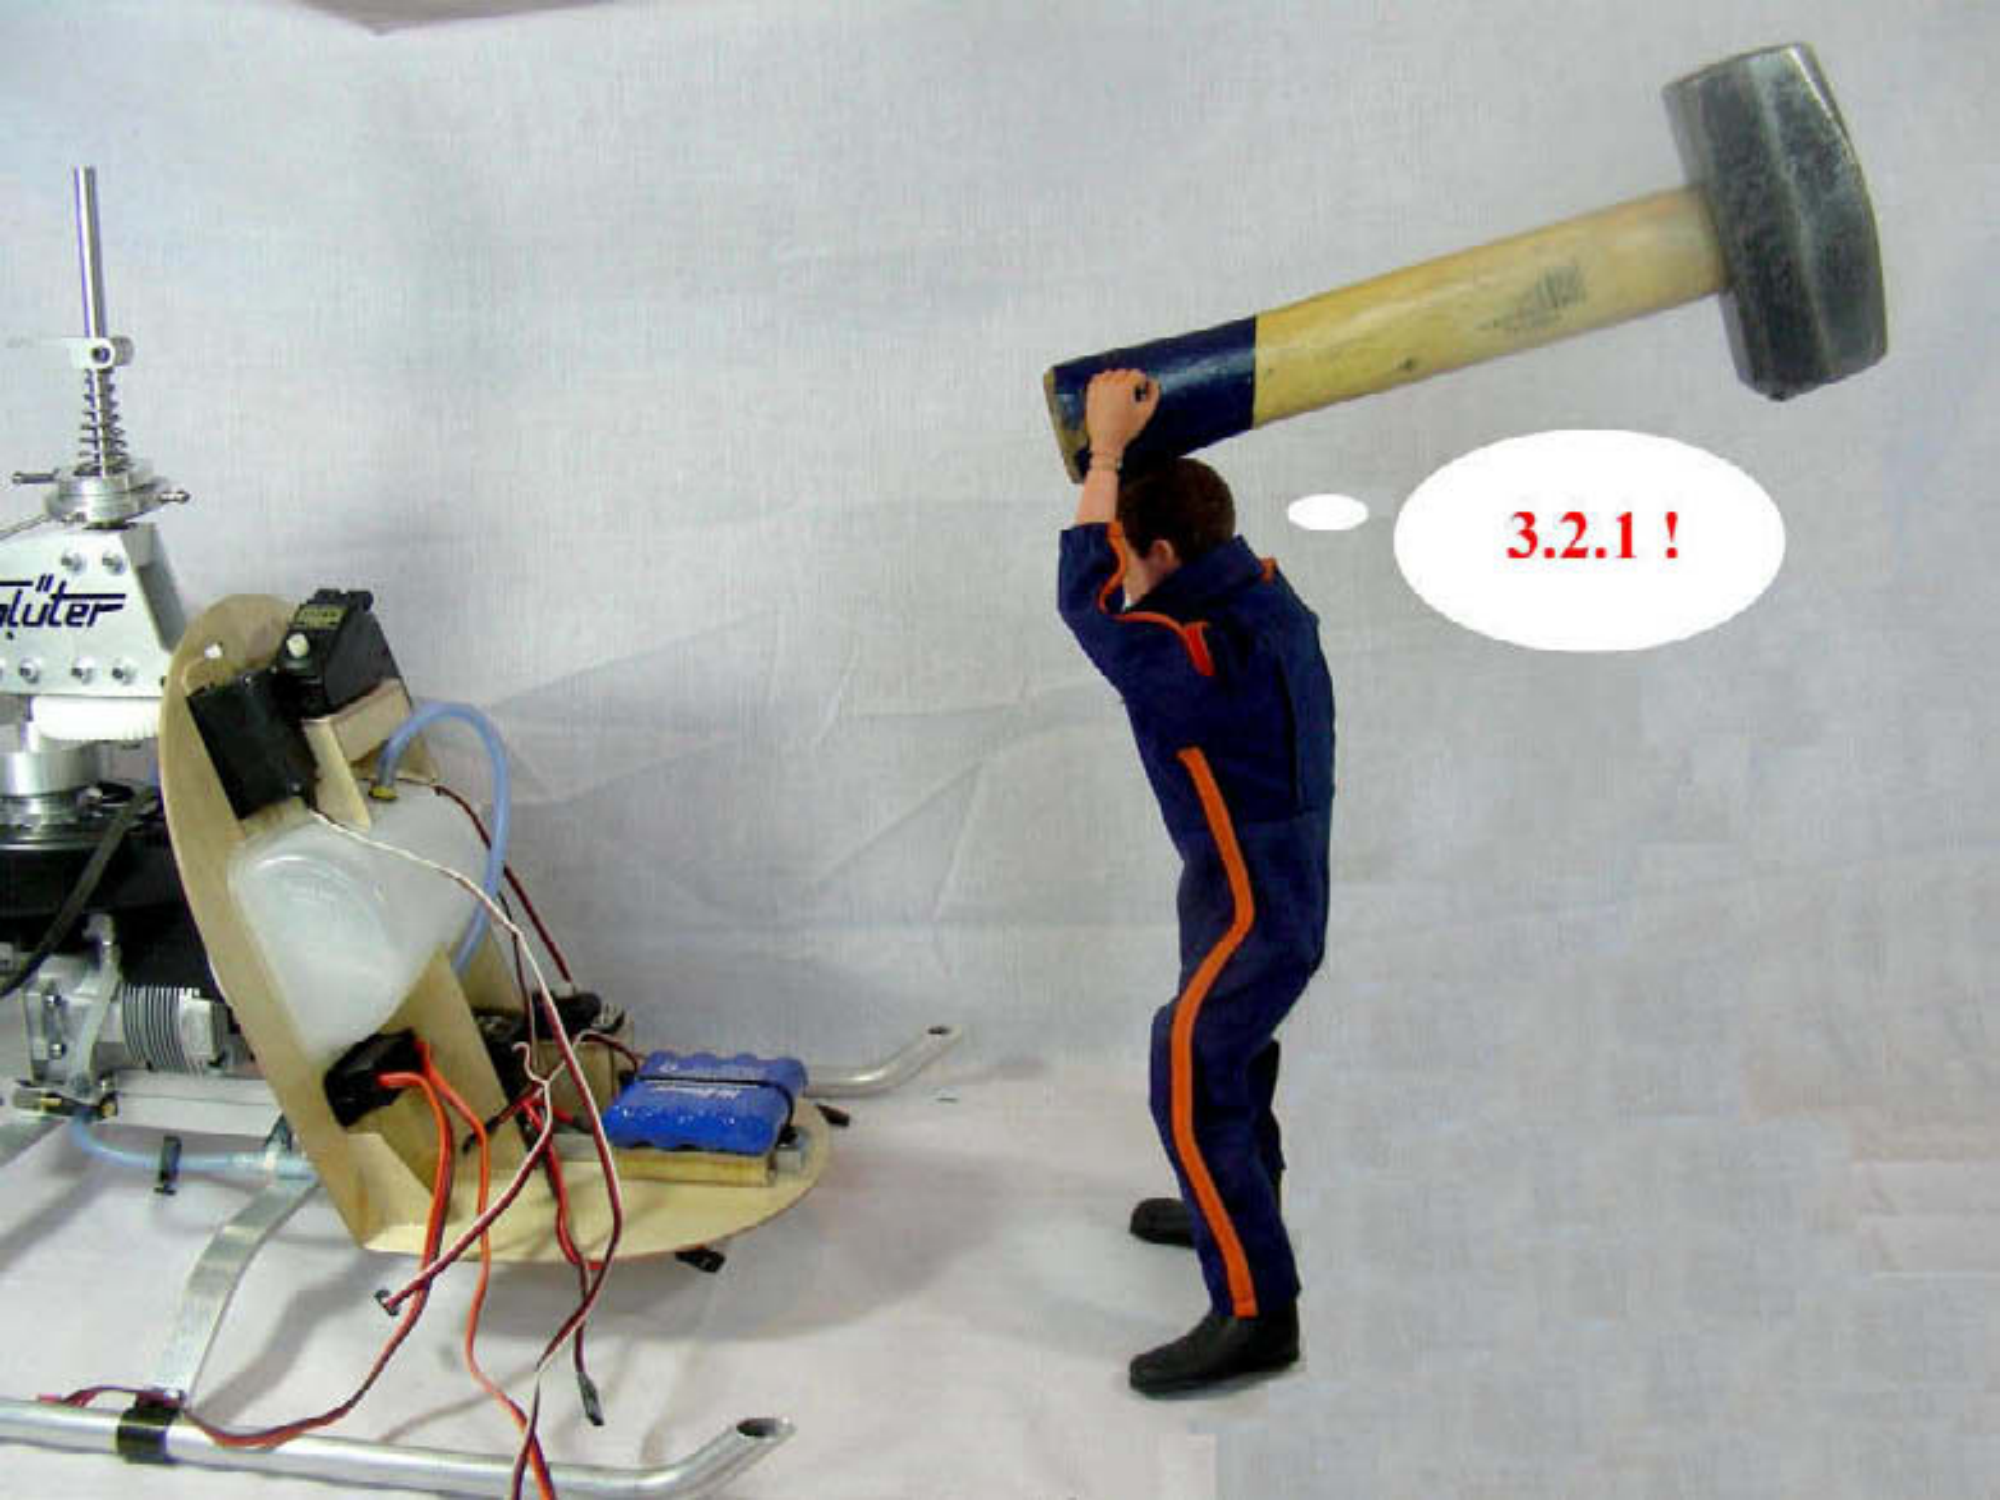

**GET

Schlüter

**That's the last of the
wiring.**

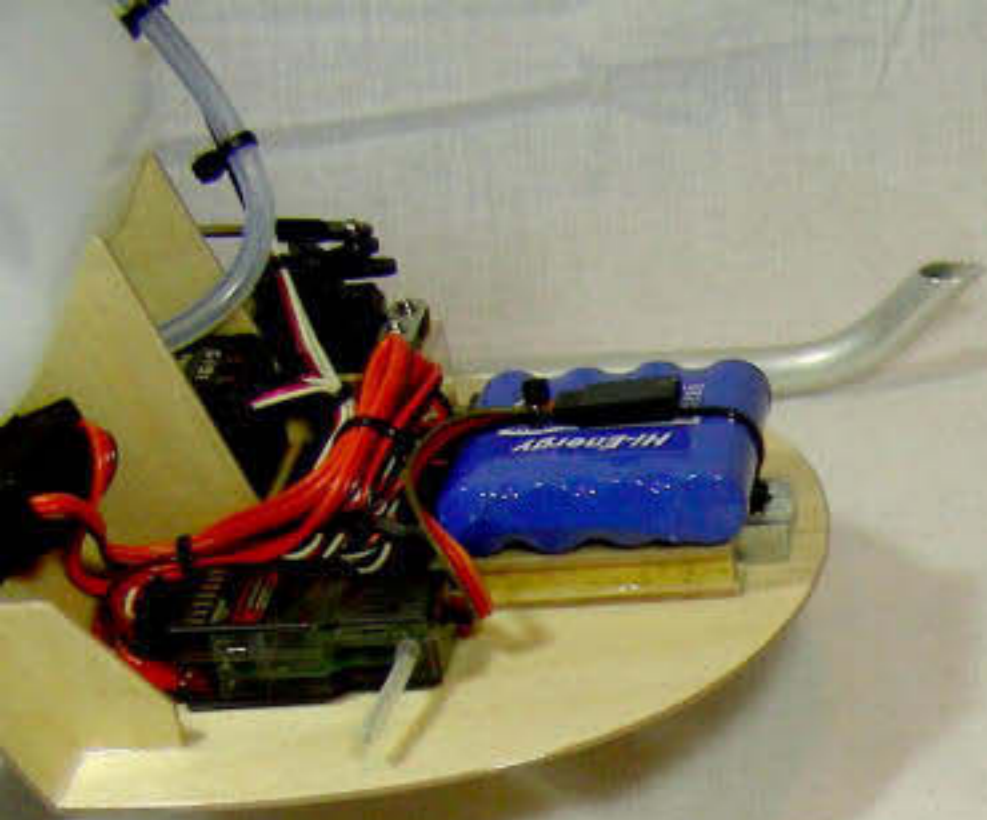

**Just the

Nice fit.

Blüter

**That's it,
hold it
steady.**

**For Christ sake
woman, keep your
mind on the job!!**

**What shoes
shall I buy
today??**

DANGER

**It's OK,
I've not been sat on
my ass doing nothing. I've
been busy with this little lot.
A map if I get lost
on my travels !!**

**Barbie can't use
one of these,
because she's
female !!!**

**A nice little
consol with built
in battery meter,
and pen.**

**The all
important sticks
and
seat belt.**

All most ready to
go !!!!!

A mannequin with short brown hair and blue eyes is seated in a cockpit simulator. The mannequin is wearing a dark blue flight suit with orange stripes on the sleeves and a black harness. The cockpit features a control yoke, a throttle, and a panel with several buttons and a small display. The background is a plain white wall.

**At this point,
I would just like to
thank
Gerd at Minicopter
for all his advise and packet
today.
Thank you very much.**

Heli-Baby

Schütte-Lohner

Right,
the heli's
finished,
I'm off now.

OK,
Take care,
when will you be
back?

What do you mean,
"be back"?
I'm not coming back!

But I told you
this the other
day!

Are you leaving me?
Why?
What have I done?
You never told me you were
unhappy!!

Look,
it's nothing against you,
my needs have changed,
I need
something extra that you
can't give me!

After all we've been through,
all the support I've given,
now you say
I'm not enough for you !

Heli-Baby

I'm not taking
this anymore,
I'm off!
See ya!

You self-centred
BASTARD !!
I'll be
taking you to court for
everything you have!!

**No,
PLEASE don't go,
I'll change,
tell me what you want from me,
PLEASE don't go,
what will I do without you !!**

Crying.....
